

Norley Wildlife Group
Info@WildNorley.com
Facebook – WildNorley
Website – www.WildNorley.com

As the days grow longer and the air turns warmer, signs of spring begin to emerge, promising new life and fresh beginnings. The chill of winter makes way for blooming flowers, singing birds, our wildlife gets busy. Find out how to make your garden wildlife friendly on our website.

Our team has been hard at work yet again around Norley.

Our January workday saw our team out at Wickentree Moss doing vital clearing work to the area with their bow saws.

Darren has been working on refurbishing the wildflower signs on our memorial walk, huge thanks to him for all his time and effort.

Norley Wildlife Group need YOU

Could you be an **Events Assistant**? We support local events like the Norley Garden Show and WI Plant Swap. Can you help us organise / attend these events?

It's Spring Garden Survey time!

We would be very grateful if you could fill out our Spring Survey – see opposite page. It runs from March to May, it doesn't take long, and it provides essential wildlife information for us. Or go online and fill out our survey form on our website and Facebook.

There is still time to donate to our Memorial Walk maintenance fundraiser -
<https://www.gofundme.com/f/wildlife-memorial-walk-maintenance-work>.

You have already helped us reach £210 – THANK YOU!

Forthcoming Events: (Full list available online)

Our Easter Trail event is coming soon, follow our Wildlife Memorial Walk and collect the letters.

We will be supporting this year's City Nature Challenge with Chester Zoo, 25th – 28th April. We need your participation!

Our Volunteer Work Days:

- 30th March 10am Flaxmere Moss scrub removal
- 27th April 10am Memorial Garden putting leaf mould on Cyclamen beds

We have many jobs to do, and any extra help would be fantastic.

For more information on any of these volunteering opportunities please contact us.
